Need to fulfill your volunteer duties? **Bingo** is the single biggest club fundraiser we have, in fact it is greater than all other club fundraising put together and it's easy to run.....We have two bingo sessions available in March that have yet to be filled if you can take care of the March 14th or 24th date please let Silvana know via email srigsby@telus.net or give her a call at 897-1305. **It's easy!**

Our K1,K2 and F.I.S. kids have been racing all over the Province, since Mid December teams have raced in Whistler, Panorama, Seymour, Apex, Rossland and of course Mt Washington. Our K1's have been on fire, the girls are led by Campbell River's **Lindsay Frame** who stood upon the second step of the podium at Whistler, and Clint Wood, Gabe Pare and the littlest McDermid (Jordan) have been in the top ten on several occasions. Our K2 girls group is really strong and they have been filling the front page at every race, hats off to **Chelsea Adam** from Nanaimo for bringing home the Bronze at the Seymour slalom this weekend and coodo's also go to **Nicola Anderson** of Campbell River for a great 4th place finish.... Our F.I.S. Group has also been busy, podiums are hard to come by in F.I.S, especially when you are 15/16 and racing against guys and gals 5 to 10 years your senior. The group has been doing great though and has seen some great point results and huge movements up the page, **not uncommon to see our athletes cutting their start numbers in half...** Special congrats to **Jessica Parker** of Campbell River who started 50th and finished 15th at the recent Rossland Slalom. Our true leader though is Comox's own **Mathieu Leduc**, Mat was named to the Provincial Ski Team this fall and has been all over the country training and racing and it's paying off...Mathieu has had some outstanding results thus far, including a seventh and fifth in panorama Slaloms (3rd Canadian), and two 5ths and a **third** at recent Apex Downhill/Super G.

Raffle books need to be back into the **Blue box** by this weekend, please ensure they come back in time so we can get them to BC Alpine in time for the Vehicle raffle.
