**Congratulation to our own Kyle Stubbs for being awarded one of the three BC Alpine K coach of the year awards!**

Kyle is a great young coach, he has a love for the sport and a wonderful way with athletes, parents and volunteers.

Kyle's hard work, love of ski racing and skiing itself have accelerated the skiing of all the athletes he works with.

Congratulations Kyle!

**Putt your hands together for Mathieu Leduc who has been named to the BC Ski Team for the 2008/09 season.** Matt was a invitee with the BC Ski Team last summer and his hard work and fast skiing through the summer and fall gave them no choice but to keep him for the season. His results from last season were pretty strong, awesome to see Matt standing on podiums at the FIS level. Mathieu is a wicked skier and an extremely hard worker who understands the importance of fitness in ski racing, (HUGE!) and works year round on and off the snow to ski like a champ. Mathieu will be extremely excited to be named to the BC Team this early in the season, now he can focus on his goals of making the National Ski Team and standing on a World Cup podium. Matt's a pretty big deal and we are sooo proud of him!

**We have so many partners that give so much to our programs please don't forget to give back to them!**

**Mount Washington Resort, Colonial Countertops, Pacific Sport, The Province of British Columbia, Ricky's All Day Grill (Nanaimo), Travel masters Victoria, Ski Tak Hut, Herold Engineering, Ryan Williams of Remax.**

**Thanks!**
